8 day Norfolk Island Small Group Getaway

11 - 18 April 2021

Norfolk Island is a sub-tropical island approximately 1,600km north-east of Sydney and 1,100km north-west of Auckland. A paradise island that is only 5 x 8 km in size. The highest point is Mt Bates at 318m. Norfolk Island is the perfect escape from a demanding world. The delightful switch to "Norfolk Time" allows the internal clock to release the passing of each hour, and frees the mind from expectation. From a cruisy cafe lunch to a snorkel in Emily Bay lagoon – all the island asks is that you enjoy its offerings. Discover for yourself why visitors return time and time again. There's so much more to Norfolk Island!
