OVERVIEW

Over a week, you'll be introduced to the diverse culture of Central Vietnam and uncover the truths of why this region of Vietnam is so special, and how it differs from the rest of the country. From pristine beaches to delicious seafood and ancient temples, Central Vietnam will put a smile on your face!

The 2027 Vietnam tour is a great trip, very popular with our ladies and **we all have our own rooms** in 4.5- and 5-star accommodation. You can twin share if you wish but on previous trips everyone has enjoyed retreating to their own rooms for rest time.

Hoi An is a city in Vietnam's central coast known for its well-preserved ancient town. The former port city's melting-pot of history is reflected in its architecture, with a mixture of eras and styles from wooden Chinese shophouses and temples to colourful French colonial buildings, ornate Vietnamese tube houses and the iconic Japanese Covered Bridge with its pagoda, a rare find in Southeast Asia.
